

Master Services Agreement

This agreement (“**Agreement**”) is made and entered into as of 12/05/2024 (the “**Effective Date**”) and defines the relationship between LXT AI Inc., a corporation under the laws of Ontario (the “**Company**”) and Santos Lozano (the “**Independent Contractor**”).

All the Services (defined below) provided by the Independent Contractor to the Company are governed by the terms and conditions set out in this Master Services Agreement (the “**Agreement**”). Please be sure to review terms and conditions carefully and seek independent legal advice as desired.

By executing this Agreement, you also confirm to have read and understand the terms and conditions of the Agreement, which has been provided [and originally drafted] in the English language.

Independent Contractor and Company agree as follows:

1. Services

1.1 Services and Deliverables: Company will propose services to be performed by the Independent Contractor (the “**Services**”) and for each performable service will provide information concerning the required and associated deliverables (the “**Deliverables**”), fees payable, due dates and other business terms that apply to the Services, all of which shall be more properly defined and provided for in **Schedule “A”** attached hereto and may be amended from time to time by mutual consent of both parties hereto. The Company may offer Services through the platform or other means as communicated to Independent Contractor by Company from time to time.

Independent Contractor represents and warrants that Independent Contractor:

- i. will perform the Services and provide the Deliverables in accordance with all the specifications and other requirements included in the Work Statement that are incorporated herein by reference and within the terms and conditions of the Agreement;
- ii. will perform the Services in a highly skilled and professional manner consistent with the highest professional standards in the industry;
- iii. has the necessary qualifications and expertise required to deliver the Services and the Deliverables, which will be created solely by Independent Contractor;
- iv. will provide the Services and Deliverables to Company free and clear of any liens or third-party rights, and in so doing, this Agreement will not breach or conflict with any other obligation or agreement to which Independent Contractor is a party or any contractual or confidentiality obligation Independent Contractor owes to a third party; and
- v. shall promptly correct any deviation or failure of the Services or the Deliverables at Independent Contractor's sole cost and expense in the sole discretion of the Company.

Subject to Independent Contractor meeting the requirements for the Services set out or otherwise communicated by Company, Independent Contractor will have the control and reasonable discretion as to the manner and means of performing the Services including full autonomy as to work schedule and tools, materials and equipment used to complete the Services.

1.2 Review: Company (or its customer, as applicable) will review each Deliverable and may provide Independent Contractor with requested corrections to align Services and Deliverables with Company's expectations in accordance with Schedule "A" attached hereto. Independent Contractor will promptly make all corrections requested by Company that are within the scope of the Services for no additional fee. If any requested change is outside of the scope of the Services and/or Deliverables as determined by both the Company and Independent Contractor acting reasonably, Independent Contractor will agree on revised Deliverables and delivery dates thereto. Any associated modifications to the Services and/or Deliverables must be agreed to in writing by both parties to be effective.

1.3 Payment: Company will pay Independent Contractor for all Services and Deliverables as described in any services request but no later than sixty (60) days from either the issuance of the applicable invoice prepared by the Independent Contractor or, where fees are calculated automatically through the platform, based on Services and Deliverables provided and mutually agreed under the Agreement. The Independent Contractor agrees that the fees paid hereunder will be full and complete compensation for Independent Contractor's performance of the Services and provision of the Deliverables and shall be inclusive of any applicable taxes. Independent Contractor will be solely responsible for all costs and expenses associated with the Services. The Independent Contractor is also solely responsible for the payment of any taxes, fees, costs or otherwise to the appropriate tax authority in a timely manner and as prescribed by law.

1.4 Equipment: Independent Contractor agrees to supply, at its own expense, all tools, and materials necessary for Independent Contractor to perform the Services, including, but not limited to, all necessary hardware, software, equipment, and supplies. Under exceptional circumstances, the Company may furnish materials and equipment to Independent Contractor. Any materials and equipment furnished by Company to Independent Contractor in connection with this Agreement, unless fully paid for by Independent Contractor, are and will remain the property of Company and will be deemed to be loaned to Independent Contractor. Upon the earlier of Company's request or the expiry or termination of the Agreement, Independent Contractor shall provide, to Company or to Company's designate, all Company equipment and materials related to the Services covered under the Agreement in the same condition as they were when furnished by Company. Final payment by the Company of the fees for Services and Deliverables will be contingent on the return of such equipment and materials in addition to any other legal remedies the Company may have.

1.5 Company Requirements: Independent Contractor will comply with all requirements and policies provided to Independent Contractor by Company or the applicable Company customer (collectively, the "**Requirements**") as it pertains to the Services and Deliverables. In addition to the Requirements, Independent Contractor agrees to comply with all requirements concerning information security measures in the performance of Independent Contractor's obligations and in all cases, no less than commercially reasonable standards. The Independent Contractor shall observe and comply with all applicable laws, regulations, ordinances, and codes of governmental entities relating to the provision of Services and Deliverables.

2. Confidentiality

2.1 Definition: “Confidential Information” means any non-public information (of Company or Company’s customers) that is provided to Independent Contractor by Company or any of Company affiliates, advisors, customers, business partners, third parties or independent contractors. Confidential Information includes, but is not limited to, (i) all software, documentation, financial, marketing and customer data (including, Company data, customer information, personal data, retention plans, strategies and other business information), (ii) any rating procedures, rules and guidelines, systems and processes, data and information found within all platforms used for contracted services, and the underlying methodologies and processes of the foregoing and all related documentation, and (iii) any discoveries, inventions, trade secrets, research and development efforts, know-how and show-how, and all deliverables, derivatives, improvements, and enhancements to any of the above. Confidential Information does not include information that: (a) was rightfully and lawfully known to Independent Contractor, without any obligation of confidentiality, prior to entering into this Agreement; (b) is or becomes publicly available without breach of any confidentiality obligation; or (c) is rightfully obtained by Independent Contractor from a source other than Company or any of its affiliates, advisors, customers, business partners, third parties or independent contractors without breach of any confidentiality obligation whatsoever.

2.2 Use of Information: Independent Contractor understands that Confidential Information constitutes a valuable and unique asset to the Company. All right, title and interest in and to the Confidential Information shall remain the exclusive property of the Company and no license for or other rights of any kind whatsoever in or to the Confidential Information or any trade secret, patent, patent application, industrial design, trademark, copyright or other type or form of intellectual property derived therefrom is granted or can be implied to have been granted at any time by the disclosure of the Confidential Information by the Company. Independent Contractor will use Confidential Information only for the purpose of providing the Services and Deliverables and will not disclose, distribute, transfer, sell, share, destroy, tamper, or otherwise use for Independent Contractor’s own benefit or the benefit of any other party or any other engagement. Independent Contractor will not disclose or distribute Confidential Information to any third party without the Company’s prior written consent which consent may be unreasonably withheld

2.3 Protection of Information: Independent Contractor will protect Confidential Information from any unauthorized use or disclosure, and agrees to use reasonable care, but in no event no less than the same degree of care that it uses to protect its own confidential and proprietary information of similar importance, including, but not limited to implementing all reasonable security measures needed to protect Confidential Information. Independent Contractor will notify the Company immediately if Independent Contractor becomes aware of any unauthorized use of any Confidential Information, including any personal data received by Independent Contractor while performing the Services. Independent Contractor may disclose Confidential Information pursuant to a valid order issued by a court or government agency; provided that, Independent Contractor gives Company at least ten (10) days prior written notice of such obligation and the opportunity to oppose such disclosure or obtain a protective order or the equivalent.

2.4 Customer Information: In addition to and without reducing any other obligation set out in this Agreement, Independent Contractor specifically acknowledges that all information related to any Company customer, including any information about a customer’s business, product plans, strategic relationships,

tools, etc., is to be held in the strictest confidence. Independent Contractor must not disclose any information relating to the Services and Deliverables provided by Independent Contractor or the Company's or customer's identity or Confidential Information in any materials or publications, including, without limitation, postings in social media or on the Company or Independent Contractor's website. Independent Contractor must not duplicate any images, text, video, audio, or other content provided to Company by Independent Contractor or from Company to Independent Contractor, other than as strictly required to perform the Services and Deliverables.

2.5 Return of Information: All Confidential Information will remain the property of the Company. Upon Company request or upon the expiration or earlier termination of this Agreement, or any applicable services request, Independent Contractor will promptly return or destroy, at Company's option, all copies of Confidential Information and the Deliverables and certify the completion of Independent Contractor's obligations under this Section in writing without delay.

2.6 Investigations and Audits: Independent Contractor will cooperate fully in any investigation of any unauthorized use of Confidential Information and will promptly provide requested information and reasonable access to any information or systems (e.g., documents or work systems) as required. Independent Contractor will cooperate in any reasonable audit regarding its obligations under this Agreement, required by law or under Company's contracts with its customers. The Company will provide the Independent Contractor with reasonable notice and an explanation in connection with any audit.

2.7 Protection of Business Interests: During the Term and for a period of one (1) year following expiration or earlier termination of this Agreement for any reason, with or without cause, Independent Contractor shall not, either directly or indirectly, solicit or attempt to influence any customer of Company to leave or cease its business relationship or otherwise with the Company for any reason whatsoever.

2.8 Court-granted relief: Independent Contractor acknowledges that any breach of its obligations under this Agreement will result in irreparable harm to the Company for which damages may be insufficient to properly compensate the Company for any losses sustained. In the event of an actual or threatened breach of this Agreement, Company will be entitled to injunctive relief in addition to any other legal relief or remedies available to it either at law or at equity.

3. Relationship: Independent Contractor is engaged as, and shall perform the Services as an independent contractor, and Independent Contractor acknowledges that Independent Contractor will not be considered an employee, agent, joint venture, or partner of Company or any of its customers, under the provisions of this Agreement or otherwise. Independent Contractor shall not receive nor be entitled to any employment-related benefit or entitlement such as vacation pay, holiday pay, termination notice, payment in lieu of termination notice, or severance pay, in connection with the performance of its obligations under this Agreement. Independent Contractor does not have and will not have any authority to bind Company or assume or create any obligation on behalf of Company, and Independent Contractor will not represent to any third party that Independent Contractor has any such authority. No part of Independent Contractor's compensation will be subject to withholding by Company or payment by the Company for the payment of social insurance, pension plan, social security, unemployment insurance, or disability insurance or their equivalents or any other similar tax obligations, unless otherwise required by laws applying to Company.

4. Legal Compliance

4.1 Personal Data

(a) Independent Contractor's Personal Data: Independent Contractor acknowledges and agrees that Company has provided Independent Contractor, where applicable, with a description of personal data that Company will collect, as well as a description of Company's use and disclosure of such personal data, in connection with Independent Contractor's performance of the Services and Deliverables. Such data may include contract data, demographic data, or Work Product data, (collectively, the "**Data**"), unless otherwise distinguished. Independent Contractor represents that any Data, including any personal data, that it submits to the Company in connection with the Services is that of which Independent Contractor has lawfully obtained, or, if Independent Contractor submits any Data, including any personal data, from any person under the age of 18, or the age of majority in the applicable jurisdiction, that Independent Contractor is the legal parent or guardian with appropriate legal authority ("**Guardian**") to provide such data, including personal data. Where the participant is under 18 years of age, or the legal age in your country ("**Minor Participant**") Independent Contractor represents that you have full power and authority to grant all rights and licenses related to the participant's participation. Where applicable, Independent Contractor provides consent for any minor data subject to participate in any data collection activity and agrees that such participation is part of the Services. References to "you" or "your" include any personal data that Independent Contractor provides pertaining to a minor. The Guardian gives consent for Minor Participant to participate in this Program. With respect to all Data required to participate in the Project, Guardian acknowledges and agrees that Guardian will submit, or, as applicable, work directly with Company personnel to submit, all such Data to Company. Guardian expressly acknowledges and agrees that Guardian will not cause any Minor Participant to provide, upload or submit any such Data directly to the Company. By executing this Agreement, Guardian consents to the Processing of Guardian and Minor Participant data.

(b) Company shall use and disclose any personal data that Independent Contractor submits as part of the Services in accordance with any notice provided. Independent Contractor shall not provide any personal data beyond what is necessary to perform the Services. If Company is collecting personal data on behalf of a customer, personal data will be shared with such customer in accordance with this Agreement and any notices provided, and Company is not responsible for customer's use of personal data submitted by Independent Contractor. Where permitted by applicable law, and with consent, as required by law, Independent Contractor acknowledges and agrees that Company's customer may collect and use biometric information from such personal data, including, without limitation, retinal or iris scan, fingerprints, voiceprints, facial geometry or other facial measurements, and other processes that may be deemed as a biometric collection.

(c) Release: Independent Contractor understands and agrees that any Data, including, personal data, except as otherwise prohibited under applicable law, that is submitted to Company shall become, and remain the property of Company and Company's customer and that Independent Contractor shall have no right, title or interest in Data provided in connection with the Services and Deliverables. In the event the foregoing is a violation of applicable law, or the transfer is not effective for any reason, Independent Contractor and Guardian hereby irrevocably and unconditionally grant to Company and Company's customer a royalty-free, worldwide, irrevocable, perpetual, non-exclusive right and license (but not an obligation) to, and to

permit others to, collect, use, share, sell, store, copy or create works, and display any participant's name, voice, likeness, appearance, actions, voice, conversations and characteristics/mannerisms, photographs and video, and any and all information supplied by Independent Contractor, including biographical information and/or other materials, as well as other information Company may have received from other sources ("Appearance"), and disclose, transfer and otherwise process any data in perpetuity ("Process") in connection with the notice(s) provided and to any intellectual property, rights of publicity, and any other legal rights necessary in order for Company, Company's customer, and others to use the data for the purposes as described in any notices provided to you. To the maximum extent permitted by law, Independent Contractor, including on behalf of Guardian and/or Minor Participant, hereby release Company, its customers, successors, assignees and licensees and each of their respective parents, subsidiaries and affiliated companies (all such individuals and entities collectively referred to as the "Released Parties") from any claim of any kind or nature whatsoever arising from the use of the Appearance including, without limitation, any and all claims, demands, or liabilities for invasion of privacy, infringement of my right of publicity, defamation (including libel and slander) and any other personal and/or property rights (collectively, the "Released Matters"). The releases set forth in this Section shall be and shall remain in effect as full and complete releases notwithstanding the discovery or existence of any such additional or different information or potential claims or facts relevant hereto.

(d) Personal Data: Independent Contractor acknowledges that some of the content that Independent Contractor may receive in connection with the Services or may generate while providing the Services may include personal data and acknowledges that personal data is and shall remain the exclusive property of the Company. Independent Contractor will treat all such personal data as Confidential Information as described in Section 2 above. In addition, Independent Contractor will use any such Confidential Information solely as directed by the Company and for no other purpose.

4.2 Legal Compliance: Independent Contractor will comply with all laws, rules, and regulations in connection with Independent Contractor's performance of the Services and Deliverables, including all registration as an independent contractor, as required, reporting and other obligations related to operating a business in Independent Contractor's jurisdiction. Independent Contractor represents and warrants that Independent Contractor has the legal authority to enter into this Agreement and that all the information they provide to Company in any application, or any required form is accurate and complete. Additionally, Independent Contractor represents and warrants that Independent Contractor is not subject to any contractual obligations that interfere with or prohibit Independent Contractor's performance of the Services or provision of the Deliverables.

5. Proprietary Rights

5.1 Ownership: To the extent permitted by applicable law, Independent Contractor agrees that the Services are provided on a "work-for-hire" basis and that all right, title and interest in any and all intellectual property rights (including, for example, all copyrights, trademarks, patents, trade secret rights, moral rights, and all contract and licensing rights) developed by Independent Contractor (either individually or in collaboration with others) relating to the Services and Deliverables (collectively, the "Work Product") will be the sole and exclusive property of Company, and the Company shall have the sole and exclusive worldwide right, title and interest in perpetuity to use all or any part of the Work Product Independent

Contractor acknowledges that Company's rights to the Work Product are exclusive to Company and include, for example, the right to use, adapt, reproduce, distribute, broadcast, display and make copies (collectively "Exploit") the Work Product in all media and all formats now known or later developed. In addition, all files, records, documents, drawings, specifications, equipment, and similar items related to Company's business, whether prepared by Independent Contractor or otherwise coming into Independent Contractor's possession, will remain the exclusive property of Company. In addition, the Independent Contractor agrees to execute any documents as the Company may request evidence or otherwise protect Company's ownership of the Work Product.

5.2 Third Party Rights: Independent Contractor will not use or Exploit any third-party materials or otherwise infringe any third-party privacy, publicity, or property right of any kind in the performance of the Services or provision of the Deliverables.

6. Term and Termination: This Agreement will be for a period of one (1) year unless terminated earlier by either Independent Contractor or Company as provided below (the "**Term**"). Thereafter, this Agreement will automatically be extended for consecutive one (1) year terms, unless otherwise terminated as provided in this Agreement. Either party may terminate this Agreement at any time upon fifteen (15) days' prior written notice to the other; provided that in the case of termination by the Independent Contractor, the Independent Contractor completes any Services and Deliverables that Independent Contractor has agreed to provide prior to the effective date of termination of the Agreement and provided that the Company will pay Independent Contractor for all Services and Deliverables properly performed up to the effective termination date, and provided further the Company has the right in its sole discretion to waive the fifteen (15) day prior written notice period if it so chooses in deciding to terminate the Agreement. After termination of this Agreement, Independent Contractor and Company acknowledge that the following Sections of this Agreement shall survive: Section 2 (Confidentiality), Section 3 (Relationship), Section 4 (Legal Compliance), Section 5 (Proprietary Rights), Section 8 (Company Contracting Party and Governing Law), Section 9 (General) and Section 10 (Arbitration).

7. Limitation of Liability and Indemnity

7.1 Neither party shall be liable for any indirect, incidental, special, or consequential damages whatsoever arising out of or in connection with this Agreement or the provision of the Services or Deliverables, including lost profits, anticipated or lost revenue. Notwithstanding anything to the contrary, in no event shall Company be liable to Independent Contractor for any injury, claim, losses, damages, or costs (including, without limitation, legal fees) of any nature arising out of or related to this Agreement, the Services or the Deliverables in excess of the total amount of fees which Company paid to Independent Contractor for the Services and Deliverables for the three (3) prior months preceding the first event or matter that gave rise to the claim, loss, damage or cost.

7.2 Independent Contractor shall, at its own expense, defend, indemnify, and hold harmless Company, its affiliates, successors, and permitted assigns and each of their respective directors, officers and employees (each a "**Company Indemnitee**") from and against any and all damages, expenses, liabilities, costs, penalties, losses and claims of whatever nature (including legal fees and expenses) ("**Damages**") arising from or attributable to the Independent Contractor in connection with its performance of Services, provision of the Deliverables, any breach of this Agreement by Independent Contractor or any determination by any court, arbitrator, taxing authority, government entity, agency, ministry or adjudicating

body that the relationship between the Company and Independent Contractor, is not an independent contractor relationship, including any and all Damages any Company Indemnatee may suffer as a result of enforcing the indemnification provisions set out in this section 7.2.

8. Company Contracting Party and Governing Law

8.1 This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Subject to Section 10 herein, the parties agree that the Courts of Ontario shall have jurisdiction to entertain any action or other legal proceedings based on any provision of this Agreement.

9. General. This Agreement, the Requirements, and service request(s) embody the entire agreement between the parties concerning the subject matter hereof and supersede all other negotiations or agreements between the parties, both written and oral. This Agreement cannot be modified except in the form of a writing accepted by both parties. This Agreement has no third-party beneficiaries other than Company's customers, who may enforce the terms of this Agreement or any applicable Requirements directly. No failure of either party to exercise or enforce any of its rights under this Agreement will act as a waiver of any of its rights. Independent Contractor will not subcontract or assign any of Independent Contractor's rights or obligations under this Agreement or the Requirements without the prior written consent of Company which may be unreasonably withheld. This Agreement shall benefit and be binding upon both the Company's and Independent Contractor's successors, affiliates, permitted assigns, and delegates. Should any provision of this Agreement be found unenforceable by a court of competent jurisdiction, such provision will be enforced to the fullest extent permitted by law and the remainder of this Agreement will remain in full force and effect.

10. Arbitration (US-based Independent Contractors only)

10.1 Exclusive Use of Arbitration. Independent Contractor and Company mutually agree to resolve any disputes exclusively through final and binding arbitration instead of filing an action or application in court. Arbitration shall be administered exclusively by the American Arbitration Association ("AAA"), pursuant to the then prevailing rules of the AAA for the resolution of such disputes, and shall be conducted consistent with the rules, regulations, and requirements thereof as well as any requirements imposed by state law. Any arbitral award determination shall be final and binding upon the parties. The arbitrator will have the exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this arbitration provision, other than Sections 10.2 and 10.3 below relating to the Class Action Waiver or Representative Action Waiver. Independent Contractor acknowledges this means such disputes will not be resolved by a court or jury trial.

10.2 Class Action Waiver. Independent Contractor and Company mutually agree that by agreeing to arbitrate any dispute, each waives its right to have any dispute or claim brought, heard, or arbitrated as a class action or collective action and that the arbitrator will not have any authority to hear or arbitrate any class or collective action ("Class Action Waiver").

10.3 Representative Action Waiver. Independent Contractor and Company mutually agree that by agreeing to arbitrate, each waives its right to have any dispute or claim brought, heard, or arbitrated as a representative action and that the arbitrator will not have any authority to arbitrate a representative action ("Representative Action Waiver").

10.4 Notice. If either party wishes to initiate arbitration, the initiating party must notify the other party in writing delivered by courier or other verifiable delivery method. The notice must include (a) the name and address of the party seeking arbitration, (b) a statement of the legal and factual basis of the claim, and (c) a description of the remedy sought.

11. Advice of Counsel. Independent Contractor has the right to seek independent legal advice of Independent Contractor's choice with respect to any aspect of, or any claim that may be subject to, this Agreement, including Section 10, at Independent Contractor's sole expense.

12. Prevailing Language. The parties have expressly requested that this contract be drafted in the English language. If this Agreement is translated into a language other than English for any purpose, the English version shall prevail in the event of any differences, questions or disputes concerning the meaning, form, validity, or interpretation of this Agreement.

13. Notice

Any demand, notice or other communication to be given in connection with this Agreement must be given in writing and will be given by personal delivery, by registered mail, or by electronic means of communication (email) addressed to the recipient as follows:

To Independent Contractor:

Address: [6159 Ledgestone Ct. Indianapolis, Indiana 46236](#)

Email: santos80lozano@gmail.com

Attention:

To Company:

Email: Will be provided upon request.

or to such other address, individual or electronic communication address as may be designated by notice given by either party to the other. Any demand, notice or other communication given by personal delivery will be conclusively deemed to have been given on the day of actual delivery thereof, and if given by registered mail, on the fifth (5th) business day following the deposit thereof in the mail, and if given by electronic communication, on the day of transmittal thereof if given during the normal business hours of the recipient and on the business day during which such normal business hours next occur if not given during such hours on any day.

14. Counterparts

This Agreement may be executed by electronic signature and in any number of counterparts, and such copies and counterparts, when taken together, shall constitute one and the same original instrument.

Schedule “A”

Services and Deliverables

This schedule outlines the types of services that may be provided under the terms of this agreement. It is important to note that the list presented here is not exhaustive and serves as a general overview of potential tasks involved in the project. Specific details regarding the services to be rendered, including additional tasks and deliverables, will be communicated to you prior to the commencement of each project. This ensures clarity and alignment with project requirements, allowing for effective collaboration and successful project outcomes.

1. Annotation

- Description: Providing annotations on specified datasets.
- Deliverables: Annotated data sets in the required format.
- Communication: Specific data set details and annotation guidelines will be communicated prior to each task.

2. Data Collection

- Description: Gathering data according to project specifications.
- Deliverables: Collected data and the desired format with appropriate metadata.
- Communication: Instructions on data collection methods, requirements, and guidelines will be provided before commencement.

3. Audio Data Collection

- Description: Gathering audio recordings as per project requirements.
- Deliverables: Recorded audio files with appropriate metadata.
- Communication: Instructions on recording specifications and data collection guidelines will be provided before commencement.

4. Microtasks

- Description: Completion of small tasks as part of larger projects.
- Deliverables: Completed microtasks within stipulated time frames.
- Communication: Task instructions and deadlines will be communicated upon assignment.

5. Translation

- Description: Translating documents or content from one language to another.
- Deliverables: Translated documents with accuracy and quality.
- Communication: Source material and translation guidelines will be provided prior to translation commencement.

6. Transcription

- Description: Converting audio or video files into written text.
- Deliverables: Transcribed text files with timestamps if required.
- Communication: Audio / video files and transcription guidelines will be shared before transcription begins.
